

Minutes of a Meeting of the Town Board of the Town of Riverhead, held in the Town Hall, Riverhead, New York, on Tuesday, March 4, 1986, at 7:30 p.m.

Present: Joseph F. Janoski, Supervisor
John Lombardi, Councilman
Louis Boschetti, Councilman
Robert Pike, Councilman

Also Present: Richard Ehlers, Town Attorney

Absent: Victor Prusinowski, Councilman

Supervisor Janoski called the meeting to order at 7:30 p.m. and the Pledge of Allegiance was recited.

Councilman Lombardi offered the following resolution which was seconded by Councilman Pike.

RESOLVED, that the Minutes of Regular Board Meeting held on February 25, 1986 are dispensed without objection and be approved.

The vote, Boschetti, yes, Pike, yes, Prusinowski, absent, Lombardi, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

BILLS

Bills submitted on abstract dated March 4, 1986 as follows:

Councilman Boschetti offered the following resolution which was seconded by Councilman Lombardi.

RESOLVED, that subject to complete audit, the following bills be approved for payment.

The vote, Boschetti, yes, Pike, yes, Prusinowski, absent, Lombardi, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

Supervisor Janoski, "The heads of the departments of government are present this evening should anyone have any question of them. Reports."

John & Elaine Villano-Special Permit for warehouse and sales on Pulaski Street."

Supervisor Janoski, "I would recognize anyone wishing to be heard on any subject. Steven."

Steve Haizlip, Calverton, "Mr. Janoski and the other members of the Board. I understand that there's no work sessions or meetings in your office now. They're in here."

Supervisor Janoski, "For the most part."

Steve Haizlip, "Alright. What I would like established, last Thursday I came by and there was a meeting in here at that time but I don't know if it was a work session or if there was a meeting. But the Town Clerk was in here. And I understand that if the Town Clerk is available, it's usually a meeting. Not a work session. Anyway what I'm leading up to (I want to finish) now is this door was closed and the other door was closed. So being courteous like I am, I didn't barge in or anything. So what I'm trying to establish now, when is the coast clear that we can come in?"

07/07/00
PERSONAL APPEARANCES Continued

Supervisor Janoski, "Well the door is closed because there is so much noise in the hallway there from the court officers. There are specific times the Board can exclude the public and the press from meetings."

Steve Haizlip, "I understand that. That's what I'm trying to establish. When the coast is clear for us to come in."

Supervisor Janoski, "Let me explain. When we are discussing matters of personell of employees and when we are discussing matters of litigation that we may be in court on we meet in what used to be called executive session. If you should walk in to a meeting and we're discussing one of those things, I would very nicely tell you that and ask you to excuse us. But feel free to just walk in. Those doors close automatically. When you open them they just close but just come in."

Steve Haizlip, "Well I was just thinking from the point of just barging in and being discouraged that they would like a little placard or something saying "open meeting" or "work session". And if it's a work session; we don't come in. If it's an open meeting; we know we're welcome."

Supervisor Janoski, "One tip off is that if you look in the little glass window and see members of the press here usually sitting in those seats out there, you know that you can come right in."

Steve Haizlip, "Ok. Good enough."

Supervisor Janoski, "Yes."

Bob Skinner, Herod Point Rd., W.R., "Quickly. How did we come about (since I have to drive from Wading River here I usually take Sound Avenue) with a 45 mile per hour speed limit on Sound Avenue the entire length?"

Supervisor Janoski, "Well, the Town of Riverhead applied to the State for a change in the speed limit because the State has the authority to set speed limits on roads. And after deliberation, the State set the speed limit."

Bob Skinner, "So that was a State function totally? In other words, the Town Board felt as though it should be 45 and applied to the State therein."

Supervisor Janoski, "Well, the Town Board of course had been petitioned through many sources to have that change affected and then we made the suggestion to the State. They do whatever it is they do to determine the proper speed limit and did set it at that speed."

Bob Skinner, "There's no (quote) public hearing mechanism for anything for that?"

PERSONAL APPEARANCES Continued

Supervisor Janoski, "No. It's not a Town Board action. It's the State that determines what the speed limit should be. Are you opposed to the lower speed limit?"

Bob Skinner, "Yes. I don't like it. I can imagine that I might be in the distinct minority but I would have liked to of at least put into that input. Even though I am in the minority and I realize it's after the fact, it would have been nice beforehand. We had several people saying this weekend how did we wind up with this. And nobody knew about it and all of a sudden, boom. It was there."

Supervisor Janoski, "Well it certainly wasn't a secret. Let me tell you it wasn't a secret. There was stories in the paper about it. The people who live up on Sound Avenue were very vocal."

Bob Skinner, "They probably wanted it 35."

Supervisor Janoski, "As a matter of fact, I think I even heard lower than that. To a large extent they are absolute correct. It is not a high speed roadway. And during the summer especially when it becomes a throughway to Southold and points east, there are a number of problems. But the Board responded to their request and applied to the State and the State saw fit to set the speed limit at that lower speed. Do you live on Sound Avenue?"

Bob Skinner, "No, but I probably put about four thousand miles on it a year. So from my aspect, we were just wondering. Thank you."

Supervisor Janoski, "Thank you. Henry."

Henry Pfeiffer, Wading River, "I'd like to respond to Mr. Skinner's thing because I think it was myself that applied to have the speed limit reduced. And the reason for asking it to be reduced (and this was practically 18 months ago) was that there is a community called the Ramblewood Park community which is a residential area of mobile homes that are mostly occupied by senior citizens. And some of them are (shall I say) less than agile. And when they find that some of the vehicles coming down that road are going a tremendous speed and some in fact are crossing the double line, it provides them with great danger and it was upon their request that I forwarded the request to the Board. The Board as what Mr. Janoski said, applied to the State. Thank you."

Supervisor Janoski, "Thank you. Let me just add that Henry did apply on behalf of the residents of Ramblewood but you were not the only group or individual on Sound Avenue that wanted the reduction. Bill. Anybody want any water?"

PERSONAL APPEARANCES Continued

Bill Nohejl, Wading River, "I too must confess I was one of those persons that requested 45 miles an hour and I back up Henry's statement. Thank you."

Supervisor Janoski, "Thank you Bill. Is there anyone else who wishes to address the Board on any subject at all? Well Bill had you by a half a second there Steve. You got the floor Bill."

William Kasperovich, Wading River, "I don't know why anybody would object to a 45 mile speed limit when people drive through there at 60, 70 and faster. I've been clocking a particular section of road where three lights were out and people would climb up my back and they must be going 70 to do it. Now, although 45 is slow, this road is notorious for speedsters and I do think that since it is relatively new, that we might put a sign up at 25A that you are entering a 45 mile per hour speed limit on Sound Avenue. Now, I have been here many times asking resolutions when they are established and will be brought up at the Town Board meeting that they be made available to the public and in due time. This evening came in about the latest or I maybe I should say the usual time, about the time the Town Board arrives. This doesn't give the public any chance whatsoever to review what is going to come up in the evening. Now, I have a particular interest in resolution 143 which seven days after the public hearing hardly allowing enough time to get the paper out of the typewriter, is going to be acted upon. Now, I do think that there is no pressing urgency or impending difficulties that this amendment should be passed in seven days on the seventh day after the public hearing. And I do raise objection that this; for a serious improper amendment is hardly enough time for the people of the township to respond in any manner whatsoever. I wish this to be recorded as such and that I feel that if you gentlemen can not recognize a basically illegal affair..."

Supervisor Janoski, "Bill, excuse me. You have said improper and illegal and you know your five minutes are up and I wish that you would summarize your position. But please, do not accuse the Board of acting improperly or illegally. We have followed the letter of the law. Now, you are trying to portray an instance where seven days have gone by. The notice of public hearing appeared in the paper. It had to be ten days before we had the public hearing. The publication of what was being proposed appeared there. So that we have gone through a long period of time in which the public has had the opportunity to digest fully the proposal and to object or to add some suggestion for amendment. The Board has acted properly and legally and I wish that you would summarize your statement."

William Kasperovich, "Mr. Supervisor, once again you misinterpret my statements."

Supervisor Janoski, "The word illegal I understand very well."

William Kasperovich, "I'm not talking about the period before the public hearing. I'm talking about the period after the public hearing. I could not obtain documentation from your Town Clerk and everybody else like yourself are busy seven days with a weekend in between. It is a very short period of working time. And you seem

3/4/86
PERSONAL APPEARANCES Continued

William Kasperovich, Continued

to be very particular on exactly what is correct and proper. And yet you sit there and you talk about something that is not what I'm here and uttering."

Supervisor Janoski, "Bill you're on your second five minutes. I'm going to have to ask you to please sit down."

William Kasperovich, "Well you've asked me to sit down before but you misinterpret what I say and then take five minutes of your own time to show me I'm wrong when it's not so. Now you offer me, but you closed me down in five minutes, but you offer me no rebuttal. So I would ask that after the public hearing you allow me to come up here and have a rebuttal."

Supervisor Janoski, "Thank you Bill."

William Kasperovich, "Well are you agreeable? Do you agree or..."

Supervisor Janoski, "Bill all I said is that you used the word improper and illegal in referring to...."

William Kasperovich, "And d--- right correct."

Supervisor Janoski, "...in referring to the action of the Board."

William Kasperovich, "And you don't know what aspect of the action that I'm referring to but you immediately assume that I'm wrong."

Supervisor Janoski, "Well Bill, thank you Bill. I don't even know why I started this discussion. I apologize and thank you very much for your input."

William Kasperovich, "Well am I going to be allowed to return to the microphone."

Supervisor Janoski, "Well it is my practice that at the end of the meeting to open up the meeting once again to public comment. If you stick up your hand, I'm sure I'm going to recognize you. Is there anyone else who wishes to be heard? No wait a minute. The time has arrived for the public hearing. As a matter of fact, it's arrived a little late. Let the record show that the hour of 7:49 has arrived. The Town Clerk will please read the notice of public hearing."

PUBLIC HEARING - 7:45 p.m.

I have affidavits of publishing and posting of a public notice for a public hearing to be held at Riverhead Town Hall on Tuesday, March 4, 1986 at 7:45 p.m. to hear all interested persons regarding: The Development of the Town of Riverhead's Community Development Block Grant Application for fiscal year of 1986.

3/4/86
PUBLIC HEARING CONTINUED

Supervisor Janoski, "Thank you. Community Development Director, Mr. Richard Hanley. How does that sound? Does it have a nice roll to it?"

Richard Hanley, "Should I introduce myself as well?"

Supervisor Janoski, "Yes you must do that."

Richard Hanley, "My name is Richard Hanley. I am the Town of Riverhead Community Development Director. As it had been practiced for the past decade, the Town of Riverhead has been invited to submit an application to the U.S. Department of Housing and Urban Development for a Small Cities proposal. Because of the reduction in funds that they're experiencing this year in the federal, the amount that the Town would be able to apply for will be reduced by that same amount; thirty eight percent and we will be able to apply for a total of three hundred and twenty-five thousand dollars instead of the original or the typical four hundred and fifty thousand that we have in years past. The handout that's available on the front desk this evening lists the activities that can be undertaken with Small Cities funds. For the purposes of the hearings I'd like to read these into the record. These include; the acquisition and disposition of property for certain purposes, construction of public facilities and improvements, clearance facilities. I'm sorry. Clearance activities, provision of public services, interim assistance, payment of local share for matching grants, urban renewal completion, relocation and loss of rental income payments, removal of architectural barriers to the handicapped, activities related to privately-owned utilities, rehabilitation of public residential structures, public housing modernization, rehabilitation of private properties, temporary relocation assistance, code enforcement, historic preservation, economic development activities, assistance to private non-profit entities, planning and urban development design costs, fair housing counseling services, provision of assistance to facilitate performance and payment of bonding, property management, activities to facilitate the implementation of a Housing Assistance Plan, environmental studies, construction or rehabilitation of public facilities and that ends the litany of activities that the Town can put in its Small Cities proposal. Because of the reduction in funds that we're experiencing this year, (fiscal year, 1986) and because of the intense competition that we see with the year's funding, the Community Development Agency and the Town Board have put together a program which we believe addresses the critical community development needs of Riverhead Town. And at the same time meets national objectives of the program. I'd just like to take some time to go over briefly the proposed activities and then we can open it for comment. The first project we expect to make part of this application is a home improvement program. This is a continuation of the town's home improvement program which makes available low interest financing for rehabilitation for private properties usually involving major systems in owner-occupied dwellings. We expect that the budget for that aspect of the program will be forty thousand dollars. The second project is an affordable housing project where the Town is going to improve a piece of property it owns presently with the road and sod improvements. And

Richard Hanley, Continued

it's also going to subdivide the property into nine units. Those lots will be made available for sale for Riverhead residents of lower or moderate income. That program is budgeted at four hundred and forty thousand dollars. The third project is a comprehensive rehabilitation of Third Street. It involves thirteen existing buildings. Essentially, these buildings will be totally rehabed and it includes acquisition and demolition of one building that is not meeting the town's unsafe buildings code. There is also a law enforcement administration of thirteen percent of program funds or forty-two thousand dollars. And that is the proposed program for this year. Thank you."

Supervisor Janoski, "Thank you. Is there anyone present who wishes to address the Board on the matter of our application for Small Cities Block Grant funding? That being the case and without objection....."

Bob Skinner, "Nobody? I'll say something."

Supervisor Janoski, "It seems to me, and this is just an observation, that you are catching something from somebody else. Are you going to support it?"

Unidentified Speaker, "We have something in the record."

Bob Skinner, "I honestly thought there was going to be somebody else of a little more pat substance (end quote) say something. So I'm sorry I drug it out this long. I see under twenty-four and twenty-five I see environmental studies and construction rehabilitation to public facilities. We have a lot of recreation facilities in this town that could use some work. We also have a situation now where it may be possible where we might be able to have some sort of permanent.... I don't if this falls under this. So if I'm out of line, say something. But we now have a situation. We might be able to create some sort of permanent boat launch facility at Iron Pier by use of the channel that comes out from the pond that Lyndon Hallock has allegedly donated to the town, etc., etc. And I keep hearing that the first thing is; well it will cost a lot of money for the environmental studies for this etc., etc. I don't know what all this involves with the Third Street proposal and I don't know what the.... I'm not a downtown person. So I don't know what's involved with Third Street and I don't know what the property Mr. Hanley has referred to, where it is or what's going exactly to be done with it etc., etc. But I think it would be nice if we could start looking toward the future. Perhaps at least take some money. I didn't have my pencil out to see how much of this has already been allocated with these funds that we spoke about. And at least get the up front studies for this type of facility. You know, it is a public facility. It would be open to anyone who wanted to use it. And (you know) it sounds to me as though the Third Street proposal and then the other one, I don't know how much (you know) quote, public availability of everybody that's going to give us."

Supervisor Janoski, "I understand the question and let me address it (I guess) two different ways. What you are suggesting as far as this grant, is a very low priority type of project. While it is a public facility that you're talking about, the federal government does not look at that kind of a project as being something that is necessarily something to fund and accomplish. The other thing is that we look at Iron Pier and have a plan ready for it to be done. I am going to raise that issue once again as far as the Town Board consideration. It is going to take some money over a period of time. I believe the estimated cost back in 1983 or 4 was a quarter of a million dollars. Thank god the Army Corps of Engineers delayed that project because the storm of 1984 would have wiped away a quarter of a million dollars. So I think we have to look at it once again and make some decisions about providing that kind of recreation program. But I think the Board, if it should decide to go ahead, would do it with general town, are taxpayers revenue because I don't believe it would be funded through this application. We don't believe the federal government would agree."

Bob Skinner, "Ok. I had to... You know. It was just a thought."

Supervisor Janoski, "I agree that something has to be done there but we..."

Bob Skinner, "With different money."

Supervisor Janoski, "Yes."

Bob Skinner, "Ok. Thank you."

Supervisor Janoski, "Steve."

Steve Haizlip, "Of all these nice line items on here and number five; interim assistance. I'd like to get a definition of that because the way I understand interim it means in the meantime or it's a quick fix."

Supervisor Janoski, "Interim assistance means exactly that. In some particular project we might need for a period of time some sort of assistance. Be it engineering or counsel, whatever that assistance happens to be."

Steve Haizlip, "Well I was thinking along the line maybe if somebody might get burn out or a flood come and washed them out or something that this money could be used to relocate them in the meantime until the housing got back or something. It don't work that way?"

Supervisor Janoski, "No."

Steve Haizlip, "Ok."

PUBLIC HEARING Continued

Supervisor Janoski, "Well I don't know. But the federal government works in mysterious ways. Is there anyone else present who wishes to address the Board on the matter of the application for Small Cities Block Grant. Come on Eric. You're dying to go up there. Would you get up there and say whatever it is."

Eric Berger, Calverton, "It won't be on RHD though. I just want to say... Eric Berger."

Supervisor Janoski, "Private citizen."

Eric Berger, "I'm one of the owners of the Entertainment Emporium on East Main Street."

Councilman Lombardi, "No advertisement."

Irene Pendzick, "Where do you live Eric?"

Eric Berger, "Calverton. That's true. You heard my guitar playing."

Supervisor Janoski, "Yes we have."

Eric Berger, "With regard to the proposed budget for the 1986 Small Cities Grant Program, I'd just like to say with regard to each of the proposed projects; project one would provide ten families with the ability to improve what presumeably will be somehow substandard living conditions. I think clearly this is an admirable goal. Since they are eligible for section eight subsidies, clearly they would not have the financial resource to do so without this funding. So I support that element of the budget. With regard to the affordable housing project on Osborn Avenue, I think it is well known to all in this room that there is a problem with affordable housing in the Town of Riverhead and else where on Long Island. There isn't any and so clearly this is a project which is needed by the community, specifically Riverhead and by Long Island as a whole. So therefore, I certainly support that project as well. And with regard to project three; rehabilitation of Third Street's residential properties, I think the rehabilitation of the downtown area is in interest of all Riverhead residents. I think that the image that outsiders get of our community when they see the downtown area, affects the property values within the entire community. The Bluffs at Baiting Hollow notwithstanding. Therefore, in terms of improving the quality of life for those live on Third Street and for the general purpose of upgrading the image of the community not only in our own eyes but in the eyes of those outside of town, I think this is a beneficial project as well. Therefore, I support the proposed budget in its entirety."

Supervisor Janoski, "Thank you Eric for a very concise statement and I agree with very much of what you had to say. Is there anyone else present who wishes to address the Board on the matter of the Small Cities Block Grant application?"

PUBLIC HEARING Continued

Councilman Pike, "Suffolk Life? Traveler-Watchman? News-day?"

Supervisor Janoski, "That being the case and without objection, I declare the hearing closed."

7:45 PUBLIC HEARING CLOSED AT 8:04

Supervisor Janoski, "Why don't we take up the resolutions now."

RESOLUTIONS

#139 APPOINTS CHARLES A. BLASL, JR. TO TITLE OF SEWER TREATMENT PLANT OPERATOR.

(See Sewer District Minutes)

#140 AUTHORIZES TOWN CLERK TO ADMINISTER THE DISPOSITION OF POLICE RECORDS.

Councilman Pike offered the following resolution which was seconded by Councilman Boschetti.

RESOLVED, that the Town Clerk is hereby authorized to administer the disposition of records of the Riverhead Police Department in accordance with the provisions of Section 65-b of the Public Officers Law and that the schedules to be followed are the Records Retention and Disposition Schedules No. 40P, 4-P-1A and 4-P-1B.

The vote, Boschetti, yes, Pike, yes, Prusinowski, absent, Lombardi, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

#141 AUTHORIZES RECREATION SUPERVISOR TO ATTEND N.Y.S. RECREATION AND PARKS CONVENTION AND EXHIBITION.

Councilman Lombardi offered the following resolution which was seconded by Councilman Pike.

WHEREAS, the 1986 New York State Recreation and Parks Convention and Exhibition shall be held in Kerhonkson, New York from May 4 to May 6, 1986, and

WHEREAS, it is the recommendation of the Superintendent of Recreation that a member of his staff attend said Convention and Exhibition.

NOW, THEREFORE, BE IT

RESOLVED, that Jane Van Den Thoorn, Recreation Supervisor, is hereby authorized to attend the 1986 New York State Recreation and Parks Convention and Exhibition from May 4 to May 6, 1986 at the Granit Hotel and Country Club in Kerhonkson, New York, and

RESOLUTIONS Continued

BE IT FURTHER RESOLVED, that Jane Van Den Thoorn be and is hereby authorized to receive an advance in the amount of \$420.00 to cover necessary fees and expenses, and

BE IT FURTHER RESOLVED, that all expenses shall be fully receipted upon the return of Jane Van Den Thoorn.

The vote, Boschetti, yes, Pike, yes, Prusinowski, absent, Lombardi, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

#142 TRANSFER OF FUNDS - POLICE DEPARTMENT.

Councilman Lombardi offered the following resolution which was seconded by Councilman Pike.

RESOLVED, that the Supervisor be and hereby is authorized to transfer the following:

	<u>FROM</u>	<u>TO</u>
A3510.460 Building Repairs	\$1,000.00	
A3510.470 Auto Repairs		\$1,000.00

The vote, Boschetti, yes, Pike, yes, Prusinowski, absent, Lombardi, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

#143 ADOPTS AMENDMENT TO CHAPTER 108-97F(5) APPLICATION AND FEE OF ZONING CHAPTER OF THE RIVERHEAD TOWN CODE.

Supervisor Janoski, "Before we take up that matter, this is the matter which you object to Mr. Kasperovich?"

William Kasperovich, "Yes sir."

Supervisor Jansoki, "I would, without any objection from the Board, feel that Mr. Kasperovich should be allowed to speak against the proposal prior to our voting on it."

Councilman Boschetti, "No objections."

Supervisor Janoski, "You can take the microphone."

William Kasperovich, "My objections to the various aspects I made at the public hearing. The aspect that I declared illegal tonight is charging somebody for something you have no use for and not returning the man his money. To charge somebody a fee for nothing and adding a sentence to the amendment to say that we won't give you your money back, is against everything I've learned about the American Democratic way of life. From the tea party on down you can not charge anybody for nothing in this country. And to me after conferring with some legal minds, say Bill; tell it to them. You don't have to be a lawyer. And so here I am. And

RESOLUTIONS Continued

William Kasperovich, Continued

some of the lawyers in town said that you're going to embarrass some of the legal minds in that building. But be that as it may, that is it. Now, you are deleting the sentences that say if we don't use the money, we'll return it to you. That you are deleting. And you are saying; we don't use the money, we are not going to give it back to you. So you're charging somebody for doing nothing. And that is from everything I could find out, illegal. Thank you."

Supervisor Janoski, "Thank you Bill."

Councilman Boschetti, "Can I ask a question?"

Supervisor Janoski, "Certainly."

Councilman Boschetti, "Bill, according to what you're saying; if we were to include such language, would you then still have an objection with this resolution? In other words, if the money was not used for a particular applicant's plans, the money be returned. Would you then still have an objection to it?"

William Kasperovich, "As I said at the public hearing, yes."

Councilman Boschetti, "You will still have an objection to it."

William Kasperovich, "Of a different nature. An entirely different nature."

Councilman Boschetti, "Ok. Thank you."

Supervisor Janoski, "Let me just say Bill that the fee that we're talking about here is paid by a developer who is seeking a subdivision on property in the town. The Town of Riverhead employs an engineer for the planning department. The cost of that engineer is very often picked up by the taxpayer of the town. And the Town Board feels that it is the person who benefits, the person who is going to develop the property who should in fact subsidize this particular operation of town government. It is the Planning Board that grants subdivisions and it is the Planning Board that has an engineer to work on these plats. And I have to disagree with you that we happen to expend money on these applications and that money previously to a large extent, was taxpayers' money. Property tax revenues, and these people who pay property tax, absolutely get no benefit at all from the subdivision or the development of the property. And I think that this particular amendment is long over due. But I disagree with you."

William Kasperovich, "Alright. If you'll recall at the public hearing, I brought to your attention that you introduced licensed professionals. Ok? Now, this put the people who put their seal and name on the document responsible for what they do. Now, this is fine except for the fact that now you're saying we're not going to believe

574788
RESOLUTIONS Continued

William Kasperovich, Continued

that seal and signature. We're going to hire another engineer to check him out again. Now I'm not saying that you have appointed you; the Town Board has appointed) five men tried and true to the Planning Board and are saying in essence that we are going to have hire somebody because you five men don't altogether have the capability of reviewing what is submitted for you to approve. Now that is an entirely different aspect of what I objected to for this evening's procedure. But you put up five men out there and they have to go out and get another professional check what you have now established to be the realm and domain of professional licensed people."

Supervisor Janoski, "Who is the employee of the person making the application. It is very much like the Planning Board or the Town Board hiring an attorney when an applicant hires an attorney. I just don't understand."

William Kasperovich, "You have never hired a lawyer to check another lawyer's work."

Supervisor Janoski, "We do it all the time. We have to. Bill the engineer that represents the people of the Town and their best interest, the one that works for the Planning Board...."

William Kasperovich, "But he is working for the dollars. He is not dedicated and committed to the town."

Supervisor Janoski, "Absolutely."

William Kasperovich, "He is working for what you pay him in the same sense that the other professional is working for what he gets paid for."

Supervisor Janoski, "Absolutely right."

William Kasperovich, "And here we fall into whether you expect or just look over the man's seal and signature. Now the state licenses a man and they expect certain things to be complied with. And you're saying; after putting it in the town ordinances that's what we want, you are now saying that's not good enough. We still have to spend money to have this approved. Well, you put five men up there. And if those five men aren't good enough, put somebody up there that is good enough."

Supervisor Janoski, "Thank you Bill."

William Kasperovich, "And certainly you have available to you a professional to sit up there. It's not that there are not people not available. And if you have a Planning Board and they are not competent or adequate, you could introduce competent and adequate people. You don't have to go out and hire another licenses professional to check work that they should be able to do. Now, I think these men have done an admirable job and a good job and I certainly don't wish to stand here and criticize them. But

RESOLUTIONS Continued

William Kasperovich, Continued

at the same time, you people are in control. You people appoint them. And the last word with special permits come from the podium. So that's you people."

Supervisor Janoski, "Bill that has nothing to do with special permits. I thank you for your comments. Is there anyone on the Board who has changed their opinion of this proposal?"

Councilman Boschetti, "No. But for the benefit of the record since some comments were made, I think we should get an opinion from the Town Attorney as to the legitimacy of this particular resolution."

Richard Ehlers, "This resolution grew out of request from Miles Fairley on behalf of the entire Planning Board that the fees charged represent the actual cost incurred by the Planning Board for the review of subdivision plans submitted by applicants be increased to more accurately reflect the cost that they were incurring. For those of you who have been to Planning Board meetings and have watched the Planning Board deliberate, they use the engineer as a sounding board as a professional consultant to pick apart, make suggestions from other jurisdictions, other methods of dealing with the engineering problems in subdivisions. And it was the opinion of the Board and their recommendation (the Planning Board) that the engineer, the engineering service that the consultant gives has really two aspects. It has a general engineering aspect as a consultant to the Planning Board to give them generalized advice. And it has specific application where the consultant will say, on "plan X" you should change the line from here to there. But that the general town tax should not absorb the generalized advice just because the consultant can't point to a particular plan and say that's the one that should pay. We've always used up all the money. There is no big amount of case floating around in the till on this. It causes a bookkeeping catastrophe downstairs. It's a fee. It's like any fee that the town imposes. It's merely.... The denomination of the fee as one for the purpose of engineering does not make it a sacrosanct fee that can only be utilized for engineering. The Town could say that the fee for an application for a subdivision is a thousand dollars per lot period. And none of the money could ever be used for engineering or it could all be used for engineering. So there is no prohibition in that regard. And it will... The Planning Board has many difficult decisions, questions of impounding areas for water, questions of recharge basins. There's a valued opinion that they should change some of their philosophies regarding the improvements they require. They need the advice of this outside consultant."

Councilman Boschetti, "Thank you."

Supervisor Janoski, "Do I have a motion on the resolution?"

Councilman Boschetti, "No. It has not been read."

Supervisor Janoski, "Who has it?"

RESOLUTIONS Continued

Councilman Boschetti offered the following resolution which was seconded by Councilman Pike.

WHEREAS, a public hearing was held on the 25th day of February, 1986, wherein all persons wishing to be heard were heard regarding the amendment to Chapter 108-97F(5) of the Riverhead Town Code, re: application and fee of the Zoning Chapter.

NOW, THEREFORE, BE IT

RESOLVED, that the following amendment shall be made to Chapter 108-97F(5) of the Riverhead Town Code:

Chapter 108-97

F. Application and fee.

(5) Engineering fee. Prior to final subdivision being granted, the applicant must post engineering fees in the amount of one hundred dollars (\$100.) per lot to cover any potential expense to the town for engineering services, as follows: fifty dollars (\$50) at the time of the submission of the preliminary plat and fifty dollars (\$50) at the time of submission of the final plat. No applicant shall have any claim for the return of such fee or portion thereof.

and be it further

RESOLVED, that this amendment shall take effect ten (10) days after publication, and be it further

RESOLVED, that the Town Clerk be and is hereby authorized to publish and post a copy of this resolution.

The vote, Boschetti, yes.

Councilman Pike, "I just want to make a few comments to amplify what Dick said before I vote. First of all, the question of whether we should do engineering review is clear. We are being faced with more interesting, exciting types of developments. Some that people might like to see. Some that they might not like to see. But there's no substitute for knowing exactly what's going on and occasionally getting expert opinions. The idea that somebody who has a professional license such as I do, shouldn't have his reviewed is belied by the number of appropriately brought malpractice suits in just about every profession. And I myself have seen terrible mistakes that other professionals have made and had to clear them up. Now I think I could probably dig back in my files from my first days as a professional and probably find a few that I made. And so I think it's entirely appropriate that work be given the most careful scrutiny with expertise. Finally, the idea is that we're going to use the money. The idea is that the people who will benefit from the services, will pay for the service. And I'm totally and appropriately in favor of the entire project. I vote aye."

The vote, Boschetti, yes, Pike, yes, Prusinowski, absent, Lombardi, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

RESOLUTIONS Continued

#144 ADOPTS AMENDMENT TO CHAPTER 101-10.1 OF THE RIVERHEAD TOWN CODE, "PARKING, STANDING AND STOPPING PROHIBITED".

Councilman Pike offered the following resolution which was seconded by Councilman Boschetti.

WHEREAS, a public hearing was held on the 25th day of February, 1986, wherein all persons wishing to be heard were heard regarding the amendment to Chapter 101-10.1 of the Riverhead Town Code, re: "Parking, Standing and Stopping Prohibited".

NOW, THEREFORE, BE IT

RESOLVED, that the following amendment shall be made to Chapter 101-10.1 of the Riverhead Town Code:

Chapter 101-10.1 Parking, standing and stopping prohibited.

The parking, standing or stopping of vehicles is hereby prohibited in certain locations as follows:

Street/Area	Side	Location
400 West Main Street	East	Fire Lanes
400 West Main Street	South, West and North	Fire Zones

and be it further

RESOLVED, that this amendment shall take effect ten (10) days after publication, and be it further

RESOLVED, that the Town Clerk be and is hereby authorized to publish and post a copy of this resolution.

The vote, Boschetti, yes, Pike, yes, Prusinowski, absent, Lombardi, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

#145 AUTHORIZES POLICE OFFICER TO ATTEND GOVERNOR'S CONFERENCE ON CRIME PREVENTION.

Councilman Lombardi offered the following resolution which was seconded by Councilman Boschetti.

WHEREAS, the Fourth Annual Governor's Conference on Crime Prevention is being held in Albany, March 31 through April 3, 1986, and

WHEREAS, Police Officer David Cheshire has expressed a desire to attend said conference, and

WHEREAS, it is the recommendation of Chief Palmer that the attendance of Officer Cheshire at said conference is in the best interest of the citizens of the Town of Riverhead.

NOW, THEREFORE, BE IT

RESOLVED, that Police Officer David Cheshire be and is hereby authorized to attend the Fourth Annual Governor's Conference on Crime Prevention to be held March 31 through April 3, 1986 in Albany, New York, and

5/4/86
RESOLUTIONS Continued

FURTHER, BE IT RESOLVED, that Officer Cheshire be advanced \$440 to cover the costs of registration, food, travel and lodging, and

FURTHER, BE IT RESOLVED, said expenses are to be fully receipted upon his return.

The vote, Boschetti, yes, Pike, yes, Prusinowski, absent, Lombardi, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

#146 AUTHORIZES POLICE OFFICER TO ATTEND GOVERNOR'S CONFERENCE ON CRIME PREVENTION.

Councilman Lombardi offered the following resolution which was seconded by Councilman Boschetti.

WHEREAS, the Fourth Annual Governor's Conference on Crime Prevention is being held in Albany, March 31 through April 3, 1986, and

WHEREAS, Police Officer Thomas Lynch has expressed a desire to attend said conference, and

WHEREAS, it is the recommendation of Chief Palmer that the attendance of Officer Lynch at said conference is in the best interest of the citizens of the Town of Riverhead.

NOW, THEREFORE, BE IT

RESOLVED, that Police Officer Thomas Lynch be and is hereby authorized to attend the Fourth Annual Governor's Conference on Crime Prevention to be held March 31 through April 3, 1986 in Albany, New York, and

FURTHER, BE IT RESOLVED, that Officer Lynch be advanced \$260 to cover the costs of registration, food and travel, and

FURTHER, BE IT RESOLVED, said expenses are to be fully receipted upon his return.

Councilman Lombardi, "Now maybe I don't understand. Officer Lynch got 440 dollars."

Irene Pendzick, "No. That should be Cheshire."

Councilman Lombardi, "Ok. David Cheshire."

Supervisor Janoski, "One is for Cheshire and one is for Lynch."

The vote, Boschetti, yes, Pike, yes, Prusinowski, absent, Lombardi, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

#147 AUTHORIZES SUPERVISOR TO EXECUTE RENEWAL OF CONTRACT RE: POLICE UNIFORMS.

Councilman Boschetti offered the following resolution which was seconded by Councilman Pike.

3/4/86
RESOLUTIONS Continued

WHEREAS, on February 19, 1986, the Town Clerk did receive bids for police uniforms, and

WHEREAS, said bid was awarded to Standard Law Enforcement Supply Co., the only bidder, and

WHEREAS, the contract document for the police uniforms did provide a clause to permit the extension of this contract by mutual agreement, and

WHEREAS, it is the recommendation of the Police Department to extend said agreement.

NOW, THEREFORE, BE IT

RESOLVED, that the Supervisor be and is hereby authorized to execute a renewal of the contract agreement between the Town of Riverhead and Standard Law Enforcement Supply Co. for the supply of police uniforms at the same prices and conditions as the bid award made February 26, 1985 by Resolution #165, and

BE IT FURTHER RESOLVED, that the Town Clerk be and is hereby authorized to forward a certified copy of this resolution to Sergeant Joseph Grattan and Standard Law Enforcement Supply Co.

The vote, Boschetti, yes, Pike, yes, Prusinowski, absent, Lombardi, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

#148 ADOPTS CHANGE OF ZONE RE: APPLICATION OF ANTHONY CINQUE FOR PREMISES LOCATED AT DOCTORS PATH.

Councilman Pike, "Because I wasn't a member of the Town Board and have not read the hearing on that, I'm going to abstain and Lou's going to handle it."

Councilman Boschetti offered the following resolution which was seconded by Councilman Lombardi.

WHEREAS, by application dated June 19, 1985, Anthony Cinque did apply to this Town Board for a change of zone of premises located at Doctors Path, Riverhead, New York presently zoned Agricultural A to Residence C, and

WHEREAS, this matter was referred to the Planning Board for their review and recommendation, and

WHEREAS, by letter dated September 10, 1985 the Planning Board recommended that the change of zone be approved, and

WHEREAS, on the 1st day of October, 1985, this Town Board did hold a public hearing wherein all persons wishing to be heard were heard, and

WHEREAS, the Environmental Quality Review Board has determined that the action is a Type II action without significant impact upon the environment.

NOW, THEREFORE, BE IT

RESOLVED, that based upon the Town Board's review of the Environmental Assessment Form and the proceedings had herein, the Town Board hereby approves the application of Anthony Cinque for a change of zone of premises located at Doctors Path, Riverhead, New York, more specifically described as Tax Map Nos. 600-065-01-3.1 and 600-065-01-29.1 and designated on the attached map, (see file) and

RESOLUTIONS Continued

BE IT FURTHER RESOLVED, that this adoption shall take effect ten (10) days after publication, and be it further

RESOLVED, that the Town Clerk be and is hereby authorized to publish and post a copy of this resolution and the attached map (see file) in the March 13, 1986 issue of The News Review, and be it further

RESOLVED, that the Town Clerk be and is hereby authorized to forward a certified copy of this resolution to the Building Department, Planning Department, Zoning Board of Appeals, and J. Stanton Pohl, Esq., as attorney for the applicant.

The vote, Boschetti, yes, Pike abstain, Prusinowski, absent, Lombardi, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

#149 AMENDS RESOLUTION #901 APPROVING SITE PLAN OF ANTHONY TOHILL.

Councilman Lombardi offered the following resolution which was seconded by Councilman Boschetti.

WHEREAS, by Resolution #901 of 1985, this Town Board did approve the site plan as submitted by Anthony B. Tohill regarding property at 12 First Street, Riverhead, New York, and

WHEREAS, said resolution required that covenants be filed by Anthony Tohill, and

WHEREAS, after further review, the property is located in the Public Parking District which preclude the necessity of paragraphs #4, #5, #6 as listed in the Declaration and Covenants.

NOW, THEREFORE, BE IT

RESOLVED, that the Declaration and Covenants as attached to the site plan approval of Anthony B. Tohill be amended to delete paragraphs #4, #5, and #6, and

FURTHER BE IT RESOLVED, that all other requirements of the resolution and Declaration and Covenants shall remain in full force and effect, and

FURTHER, BE IT RESOLVED, the Town Clerk be and is hereby authorized to forward a certified copy of this resolution to Anthony B. Tohill, Esq. and the Building Department.

The vote, Boschetti, yes, Pike, yes, Prusinowski, absent, Lombardi, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

#150 AUTHORIZES TOWN CLERK TO PUBLISH AND POST NOTICE OF PUBLIC HEARING, RE: AMENDMENT TO CHAPTER 101, SECTION 9 OF THE RIVERHEAD TOWN CODE, RE: TRAFFIC CONTROL SIGNALS, "INSTALLATION AND MAINTENANCE".

Councilman Boschetti offered the following resolution which was seconded by Councilman Pike.

RESOLVED, that the Town Clerk is hereby authorized to publish and post the below Public Notice with regard to amendment to Chapter 101, Section 9 of the Riverhead Town Code, Re: Traffic Control Signals, "Installation and Maintenance".

PUBLIC NOTICE

PLEASE TAKE NOTICE, that a public hearing will be held on the 18th day of March, 1986 at 8:00 o'clock p.m. at the Riverhead Town Hall, 200 Howell Avenue, Riverhead, New York, to hear all interested persons with regard to the following amendment to Chapter 101, Section 9 of the Riverhead Town Code as follows:

ARTICLE IV
TRAFFIC CONTROL SIGNALS

101-9. Installation and maintenance.

Pursuant to authority granted by Section 1660 of the Vehicle and Traffic Law, traffic control signals shall be installed, maintained and operated at the following intersections and other locations:

Intersections

Entrance at Waldbaum's/Roanoke Shopping Plaza
Northville Turnpike and Middle Road.

*underline indicates addition.

The vote, Boschetti, yes, Pike, yes, Prusinowski, absent, Lombardi, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

#151 AUTHORIZES TOWN CLERK TO PUBLISH AND POST NOTICE OF PUBLIC HEARING, RE: AMENDMENT TO CHAPTER 101, SECTION 4 OF THE RIVERHEAD TOWN CODE, RE: ONE-WAY STREETS.

Councilman Pike offered the following resolution which was seconded by Councilman Boschetti.

RESOLVED, that the Town Clerk is hereby authorized to publish and post the below Public Notice with regard to amendment to Chapter 101, Section 4 of the Riverhead Town Code, Re: One-Way Streets.

PUBLIC NOTICE

PLEASE TAKE NOTICE, that a public hearing will be held on the 18th day of March, 1986 at 7:45 o'clock p.m. at the Riverhead Town Hall, 200 Howell Avenue, Riverhead, New York, to hear all interested persons with regard to the following amendment to Chapter 101, Section 4 of the Riverhead Town Code as follows:

Chapter 101-4. One-Way Streets.

The streets or portions thereof listed below are hereby designated as one-way streets, and traffic shall travel on such only in the direction indicated:

RESOLUTIONS Continued

Street	Direction

The vote, Boschetti, yes, Pike, yes, Prusinowski, absent, Lombardi, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

#152 RESOLUTION IN THE MATTER OF THE CONSTRUCTION OF A 6-INCH WATER MAIN AT JOSICA DRIVE, AQUEBOGUE, NEW YORK.

(See Water District Minutes)

#153 AUTHORIZES SUPERVISOR TO EXECUTE ESCROW AGREEMENT WITH COUNTY SEAT PLAZA ASSOCIATES.

Councilman Lombardi offered the following resolution which was seconded by Councilman Boschetti.

RESOLVED, the Supervisor be and is hereby authorized to execute an escrow agreement with County Seat Plaza Associates, and upon execution of such agreement and deposit of the surety required, the Building Inspector may issue a temporary certificate of occupancy.

The vote, Boschetti, yes, Pike, yes, Prusinowski, absent, Lombardi, yes, Janoski, yes.

The resolution was thereupon duly declared adopted.

Supervisor Janoski, "The subject matter here is the Waldbaums shopping center. The Building Department upon inspection has found certain aspects of the construction which have to be remedied. Namely the block work in the back. Some of the brick work in the front and the parking lot. They are the main items. The developer has given to the town, turned over to the town, a check (a cashier's check) I understand."

Richard Ehlers, "A chemical bank check."

Supervisor Janoski, "In the amount of one hundred and seventeen thousand to guarantee that the work which is needed will in fact be accomplished. The Town Board is authorizing me to enter into an agreement with the developers of County Seat Plaza which would allow the occupancy and the businesses therein to open. Waldbaums will be the first. Their grand opening will be March 15th. And that basically is what we set out in the agreement, what work has to be done and the developers of course have some language. Perhaps you have been working on this, why don't you just add a little something to that."

RESOLUTIONS Continued

Richard Ehlers, "It provides a period of time up to June 30th for them to complete the work. If they don't complete the work as described by the building inspector, it authorizes us to take the money and have the work completed..."

TAPE ENDED

Richard Ehlers, "... is deemed adequate by the Building Department to cover all the work that may be required there. Since it's winter time and the asphalt plants are not now open and it is exterior work, they are unable to do it. And the town code specifically provides for temporary certificates of occupancy in such cases."

Supervisor Janoski, "Ok. I'm going to call..."

Councilman Boschetti, "Mr. Supervisor."

Supervisor Janoski, "I'm going to declare a very short recess. Don't even get up."

MEETING RECESSED AT 8:32

MEETING RECONVENED AT 8:39

Steve Haizlip, "They're not going to make it. So I thought I'd bring that up for consideration. Unless they cut them Beverage Hut and those other stores lot, they curve it across to that other place and then give them a change for that light. I believe that's the only way they'll get out of it. Thank you."

Supervisor Janoski, "Thank you Steve. Is there anyone else who wishes to address the Board before we go home? Yes sir."

Lyle Wells, Aquebogue, "I just have copies of the American Agricultural with me. They have some information pertaining to the information gathering concerning the zone change in the agricultural zone in the Town of Riverhead. We have copies and it's compliments of Long Island Farm Bureau and there are articles in there that are pertinent and somewhat give the tone of northeast agricultural and what they've been doing as far as development rights and stuff like that. I thought it would be helpful."

Supervisor Janoski, "Thank you."

Councilman Boschetti, "Thank you."

Supervisor Janoski, "Yes sir."

Ed Barbanti, Wading River, "How are you. Possibly at the wrong forum. I'm hearing rumors of rezoning of Route 25A in Wading River west of the light. Am I in the right forum or the wrong forum?"

PERSONAL APPEARANCES Continued

Supervisor Janoski, "Well, you missed the public hearing but certainly we will listen to what you have to say."

Ed Barbanti, "I think I wrote a letter to you yesterday, put it on your desk, etc."

Councilman Pike, "You're in the right place. Go ahead."

Ed Barbanti, "I'm in the right place. Well I am against, we are against the rezoning of 25A."

Supervisor Janoski, "Who's we?"

Ed Barbanti, "We, Arthur Kretchner, Joanne Caulterry and Mary Barbanti. Ok? Now, when does this resolution come up for vote."

Supervisor Janoski, "It is possible that it would come up on the 18th of this month at the next Town Board meeting. It is possible."

Ed Barbanti, "I am at the right forum?"

Supervisor Janoski, "Sir. This is the Riverhead Town Board. We have held a public hearing on the rezoning of the Route 25A corridor in Wading River. Go right ahead."

Ed Barbanti, "Well you have my letter as of yesterday. I gave it to your secretary. You weren't in."

Councilman Boschetti, "Well for the benefit of the rest of us would you just kind of summarize what you said."

Ed Barbanti, "What did I say."

Supervisor Janoski, "Well the Board will, if it was only one copy, I will make sure the rest of the Board gets a copy of it."

Ed Barbanti, "Yes please. It's just that we're against it basically."

Supervisor Janoski, "Fine. I recognize your right to be opposed to it and I will be happy.... You're Arthur Kretchner. If you'd like some further information..."

Ed Barbanti, "What is the reason for rezoning for my own personal information?"

Supervisor Janoski, "If you would like to have a long discussion about it sometime, I'd be happy to. Arthur I would be happy to meet with you."

PERSONAL APPEARANCES Continued

Ed Barbanti, "We've tried to call you several times but you've been sick and busy and we understand that. And that's why I put the letter on your desk yesterday. You weren't in yesterday either. Ok?"

Supervisor Janoski, "Gee I thought I was."

Ed Barbanti, "So we can't have a discussion on it?"

Supervisor Janoski, "Well this is not the right forum to have that discussion."

Ed Barbanti, "That's why I'm asking."

Supervisor Janoski, "You know I've talked to, for example, Guido, Guy Cricchio. He said he wants to come down and discuss it. So come on down."

Ed Barbanti, "He's against it too."

Supervisor Janoski, "Sure."

Ed Barbanti, "Ok. We will discuss it. The 18th you say will be the voting?"

Supervisor Janoski, "No I didn't say that. I said it was possible that it would come up to a vote on the 18th."

Ed Barbanti, "Very good. We shall be here at this time."

Supervisor Janoski, "No, no. Does anyone else wish to address the Board? Then without objection, adjourned."

There being no further business on motion or vote, the meeting adjourned at 8:45 p.m.
